

Welcome To Centaur Storage & Distribution

We can take care of all of your storage, distribution and packing needs within our new purpose built warehouses.

We provide a complete service from the unloading of goods, whether palletised or not, to storing in our warehouses, order picking either by pallet or box, repacking where required and delivery to your customer on the day and time you require.

All sites are secure and all of our warehouses have Redcare alarms as we take the security of your goods, whilst with us, very seriously.

Our Services

- Storage

Our warehousing can accommodate many types of storage including Racked, Bulk Stacked or your own specification to suit your requirements. We cater for both long and short term storage and high or low volume. We offer daily order picking and collation services of goods for delivery or collection same or next day. All storage is computer controlled to give instant access to stock levels at any time. Our aim for all our clients is to advise them where possible of both the best and most cost effective method for their requirements.

- Packing

We offer all types of Packing Services to meet your needs; Contract Packing, Labelling and Re-Labelling, Re-Boxing and Remedial work. With our flexibility we can arrange for Large or Small Volume work with short lead times where necessary to meet your deadlines. This is a service we provide for a wide range of customers including Importers, Manufacturers and Retailers, and this can be incorporated within our Storage and Distribution facility where required. We have a very strict Quality Assurance Policy in place to give you and your customers the very best quality.

- Transport

We can arrange all of your transport needs, using various methods, aimed at both reliability and cost effectiveness for our customers, whilst meeting your strict deadlines. Being ideally placed close to Magna Park Lutterworth, the M1, M69, A14 and M42 motorways we can easily arrange transport to anywhere in the country, and also utilise Back Load facilities. We place great emphasis on reliability, quality, and proof of delivery, which we believe are essential in today's environment.

- Export

We can provide an extensive Export and Import service, specialising in the Far East market. This includes Case Making for your personal requirements, stowing

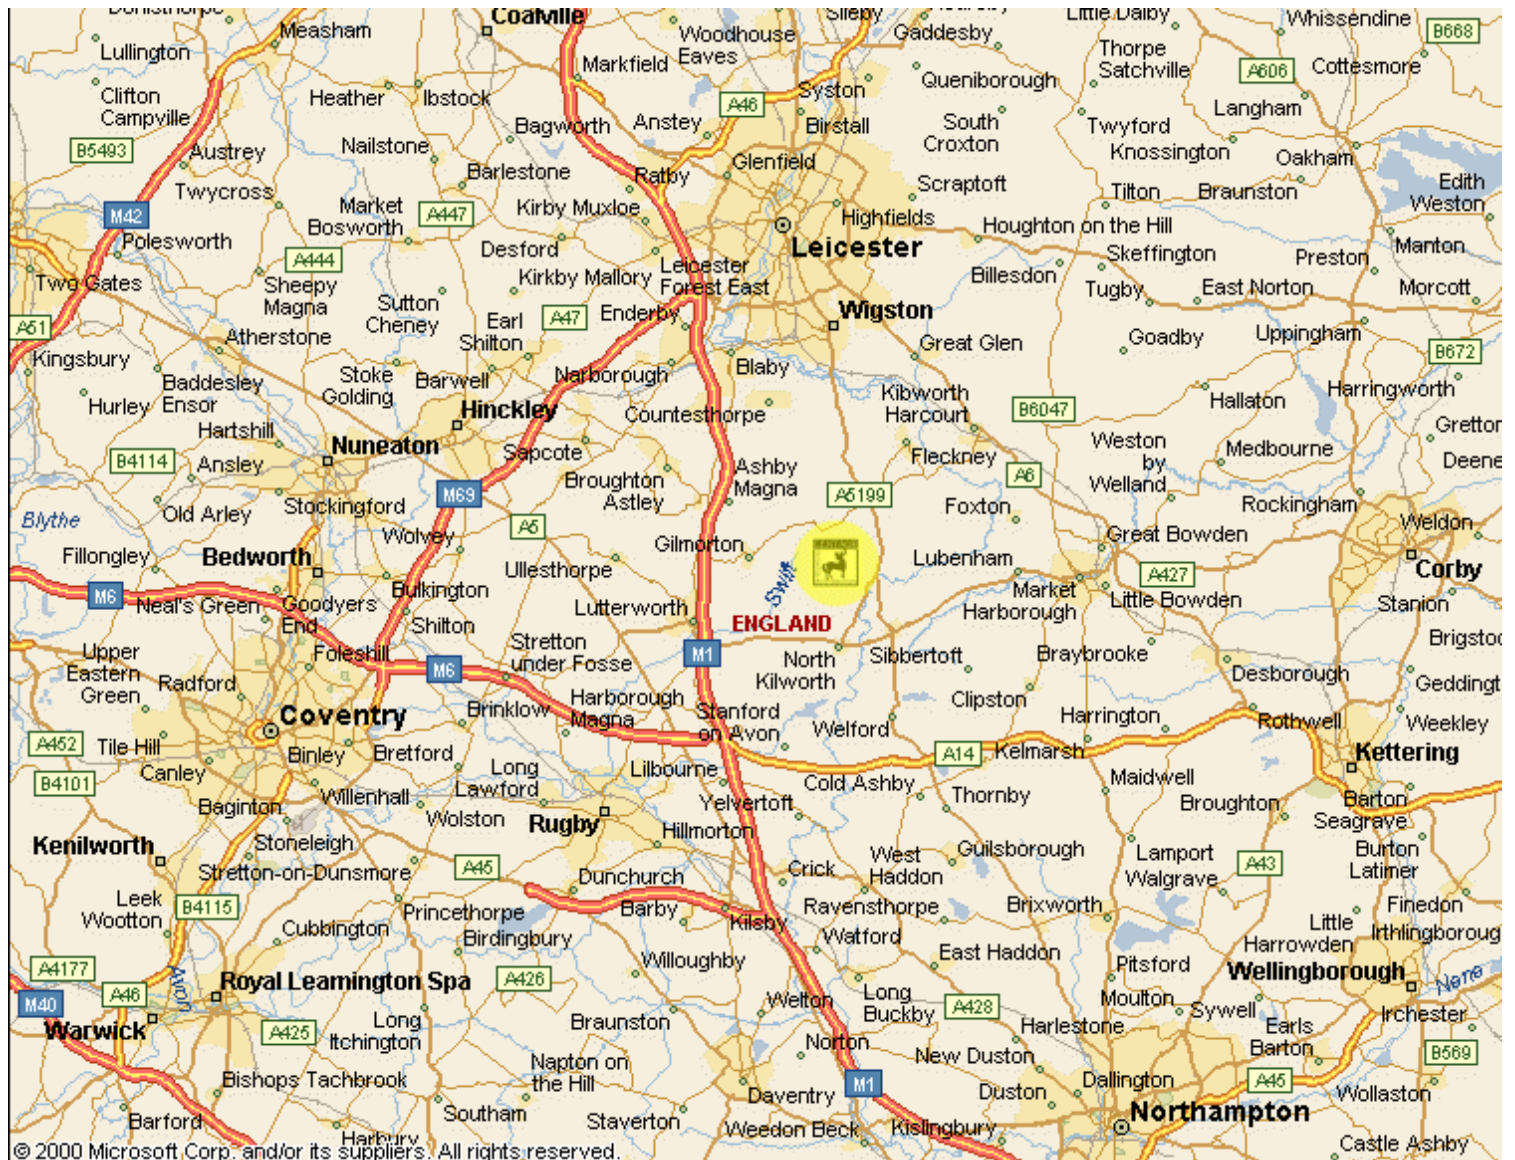

containers dedicated to you or as part of our Consolidation service for small consignments. All of this is handled In-House by our experienced team. We can also provide Full Insurance for goods in transit either Over Land or Over Sea to meet any requirement you may have.
